# 2015 Annual Report

Revealing the champion in all of us.

## **Building Stronger Communities**

### **OUR MISSION**

To provide year-round sports training and competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage and experience joy while participating in a sharing of gifts, skills and friendship with their families, Special Olympics athletes and the community.

### **OUR VISION**

To be recognized as the premier organization to unlock the joy of sport to inspire

people to accept, include and value those with intellectual disabilities in all aspects of life, and thereby unite people in a shared belief of a more just and welcoming world.

## A Message from our President

Dear Special Olympics Wisconsin Friends and Supporters,

To be brave in the attempt. Those six words from the Athlete Oath, set the course for 2015. Our athletes, our staff, our volunteers and our supporters all revealed the champion within us. From the awards stage to the Polar Plunge, thank you for your continued support of Special Olympics Wisconsin. As you read our Annual Report, you will see how your investment supported our 10,425 athletes across the state in training, competition, health programming and school inclusion. You will also see how your investment helped forged new friendships, fostered confidence and curated smiles.

We were thrilled to have three stellar athletes, Alex Guild, Michael Huebner and Olivia Quigley, represent our state and our nation at the 2015 Special Olympics World Summer Games in Los Angeles. The trio's success at the Games was impressive: 4 gold, 2 silver and 1 bronze in their track & field and bowling events. Olivia further went on to capture the hearts of spectators and fans across the country as she persevered training and competition through Stage 4 breast cancer.

We also experienced success with Play Unified – a program that promotes social inclusion by combining individuals with and without intellectual disabilities on sports teams. 20 unified competitions were hosted throughout the year, involving 683 Unified Partners.

Health programming saw advancements as well with over 20 free health seminars and interactive educational sessions, 380 complimentary prescription glasses and sport goggles, and recruitment of 223 first-time health volunteers.

Together, we are one mission, one movement – making a difference in the lives of individuals with intellectual disabilities as well as our own.

In the Spirit of Special Olympics,

Dennis H. Alldridge President and CEO
