

Region 4 Hosted Competitions

The Fox Valley Region recruits over 900 volunteers each year for many of its competition events, in a variety of volunteer positions like: Officials; Score keeper; Escorts; Award Presenters, etc.

Volunteer recruitment opens up one month out from the event date. When open, an event-specific volunteer form will be available to download. Please note that due to the outstanding support of the Fox Valley community, not all events require additional recruitment, and may not provide a volunteer form. However, we will always welcome Fans in the Stands!

Use the Event Calendar to your right to find out more about each event below.
