

Volunteer of the Month

Northern Access, a local agency of Special Olympics Wisconsin, recognizes that great volunteers are what make our organization successful. Local events simply would not be possible, or happen at all without volunteers spending countless hours organizing and putting-on the event or activity. Northern Access would like to thank and give recognition to our community volunteers with a special recognition of "Volunteer of the Month"

Each month the Northern Access Agency Management Committee will review nominations and make the award. Individuals or groups of individuals can be nominated and awarded. All recipients will receive:

- A letter of recognition and Recognition Certificate
- A profile featured on our website at www.northernaccess.org
- An announcement on Facebook
- An invitation for participation in the annual Holiday Recognition Banquet at the end of the year honoring all Volunteer of the Month recipients, with an article submitted to the Vilas County News Review.

Anyone can make a nomination - athlete, parent, coach, or community member. Nomination forms can be completed below and submitted to:

The first Volunteer of the Month will be for January 2012.
