Failure to start with five players will result in a forfeiture of the game(s). Teams must be ready to field a legal team within ten minutes of the declared start of the game or the game will be forfeited.
- 2) During play, due to injury or player disqualification, a team may play with as few as four players. However, if a team is unable to field at least four players, the game shall be forfeit. At no time can play continue with less than the minimum number of players.

UNIFIED TEAMS

- 1) Each team roster shall consist of a minimum number of five players with a maximum of 15 players. A team must have five players to start a game. However, if a team is unable to field at least four players or maintain a proper ratio of athletes/partners, the game shall be forfeit. At no time can play continue with less than the minimum number of players.

SECTION G – THE GAME

TIMING

- 1) A regulation game shall consist of two 20-minute halves (running time), with a five minute halftime.
- 2) A stopped-clock format will be used during the last two minutes of each half of the game. The clock will stop on all dead ball whistles (i.e. incomplete pass, out of bounds, change of possession).
- 3) Officials can stop the clock at their discretion (injuries, delays).
- 4) The ball must be put in play promptly and legally, and any action or lack of action by either team that tends to prevent this is considered a Delay of Game.
- 5) Each team receives one 60-second time-out per half. An unused time-out in the first half does not carry over to the second half. The clock will stop for time outs.
- 6) All line-up cards must be presented to the official scorekeeper 10 minutes before the start of any game.

OVERTIME

- 1) A coin toss is held to determine first possession.
- 2) Each team receives two plays starting from midfield and the team gaining the most points or gaining the most yardage if neither scores is awarded one extra point and wins the game.
- 3) Exceptions to this rule are as follows:
 - a) If the team with the first attempt in overtime scores on the first play, the opposing team must score on its first play also.
 - b) If both teams score a touchdown, or gain the same yardage, the procedure is repeated until one team wins.
 - c) Interception: The team that intercepts the pass automatically wins the game.
 - d) Reason: A loss of possession is the worst outcome a team can have. The intercepting team would only have to take a knee in order to have a better outcome with a yardage advantage. They will not be required to take the field.

SCORING

Touchdown:	Six points
Extra Point:	One point from the five-yard line Two points from the 12-yard line
Safety:	Two points
Mercy Rule:	If a team is up by 25 or more points in the last two minutes of the game, the clock will continue to run.

POSSESSIONS

- 1) The first possession shall be decided by a coin toss at the beginning of the game. The winner of the coin toss will choose offense, defense or end of field to defend. The team winning the coin toss may defer its choice to the second half.
- 2) All possessions, except following an interception, start at the offensive team's five-yard line.
- 3) The offense has four plays to cross mid-field.

- 4) Once the offense crosses mid-field, they have four additional plays to score a touchdown.
- 5) If the offensive team fails to cross mid-field or score a touchdown in the designated number of plays, possession of the ball changes and the opposite team starts at their 5-yard line.
- 6) Interceptions change possession of the ball at the spot of the interception. A ball intercepted in the end zone is spotted at the five-yard line.
- 7) Each time the ball is spotted (marked ready for play by the official) the team has 30 seconds to snap the ball.
- 8) The ball is marked at the spot where the position of the ball is when the player is declared down (carrier's flag belt is removed or hand/knee touches ground).

 - a) The ball must be snapped between the Center's legs to start each play.
 - b) No minimum number of defensive players is required to line up on the line of scrimmage.
- 2) Dead Ball/Fumbles
 - a) There are no fumbles. The ball is called "dead" and spotted where it hits the ground. If the ball is fumbled forward, it will be spotted where the ball carrier's feet were at the time of the fumble. If the ball falls backward, it is marked where it hits the ground. The team with possession of the ball retains possession on all fumbles.
 - b) Play is ruled dead when:
 - The ball carrier's flag is pulled
 - The ball carrier loses his/her flag belt
 - The ball carrier steps out of bounds
 - The ball carrier's knee or hand touches the ground

 - ii) Consuming more than 30 seconds to snap the ball after it is ready for play.
 - iii) Failing to remove an injured player for whose benefit an excess time-out has been granted, or
 - iv) Deliberately advancing the ball after it has been declared dead.
- 5) False Start
 - a) No member of the offensive team may simulate the start of the play before the ball is snapped.

RUSHING THE PASSER (Quarterback)

 - a) A special marker, placed by the official, will designate the spot (Rush Line) seven yards from the line of scrimmage.

- 3) Once the quarterback hands off the ball, the Rush Line no longer exists, and all defenders are eligible to rush.

RUNNING

- 1) Handling the Ball by the offense.
 - a) Handling the ball is transferring player possession from one teammate to another without throwing or kicking it.
 - b) Only direct handoffs behind the line of scrimmage are permitted. Handoffs may be in front, behind, or to the side of the quarterback/offensive player, but must be behind the line of scrimmage.
 - c) In Unified Sports divisions, a partner may hand off to another partner behind the line of scrimmage.
 - d) The offense may use multiple handoffs behind the line of scrimmage.

 - b) The player who takes a hand-off can pass the ball, as long as he/she does not pass the line of scrimmage.

Exception to this rule is made for the following instance: Once the Offense crosses the mid-field line, the mid-field No-Run Zone is no longer enforced (such as when an Offensive foul moves the ball back beyond the mid-field line).
 - d) The ball carrier may not dive, hurdle or commit acts of flag guarding to shield a defender from grasping his/her flag.
 - e) The ball is marked at the spot where the position of the ball is when the player is declared down (carrier's flag belt is removed or hand/knee touches ground).
- 3) Hurdling

 - (1) Unified Sports Teams are expected to comply with this rule without intervention by officials. Failure to “self-patrol” will be considered unsportsmanlike and will be penalized accordingly.

SCREEN BLOCKING

- 1) Legally obstructing an opponent without contacting him/her with any part of the screen blocker’s body.

- 5) Screen blocking is the only form of legal blocking that can be used by any player at any time.
- 6) There are two forms of legal blocking:

 - i) The screen blocker must give an opponent at least one step if opponent has his/her back to blocker.
 - ii) The screen blocker must not initiate contact with opponent.
 - iii) The screen blocker may not take a position so close to a moving opponent that this opponent cannot avoid contact by stopping or changing directions.
 - iv) Immediately after the snap of the ball, a blocker may move laterally or backward two steps.
 - b) **Downfield Blocking:** A basketball style (non-moving) screen is the only acceptable form of downfield blocking. The blocker also may not run between a rusher and ball carrier impeding a defender's progress to the flag.

- 1) A legal flag pull takes place when the ball carrier is in full possession of the ball.
- 2) It is illegal to pull or strip the ball from the carrier's possession at any time (penalty).

- 4) A defensive player may not intentionally pull the flags off of a player who is not in possession of the ball (penalty).
- 5) Flag Guarding/Shielding is an attempt by the ball carrier to obstruct the defense's access to the flags by stiff arming, dropping the head or shoulder, or intentionally covering the flags with the football jersey.

- 2) All penalties are assessed from the line of scrimmage.
- 3) No penalty may take the ball more than half the distance to the offender's goal line.
- 4) All penalties are automatically accepted (no option to decline). Exception to this rule is made in the case where the acceptance of the penalty would result in the change of possession, score, or cause an advantage to the offending team. While a penalty is accepted, the yardage can be declined if it could possibly force a team into a no run zone against their wishes.

 - (1) Half the distance to the goal
 - (2) The original Line of Scrimmage
 - ii) In the case where there is a Defensive foul and a successful extra point attempt, the Official shall decline (or wave off) the penalty and all eligible points are awarded.
