We do not keep any finances through the state office. The school district of Rhinelander has any amounts that are donated to us in a special account for our team that is managed through the school district business office. Our team needs to follow school district policies when requesting use of our fund. We have an in-house account which occurred when a PU team raised money through a Polar Plunge. We will continue to deplete the fund. This fund has now been depleted and any money raised will now be sent as a check to the School District of Rhinelander where the accounts manager will keep track of the monies that are raised in the name of SO. | |
