| 6. | Questions / Concerns
I recently sent an email to SOWI about new athletes being referred to MASO 6-20 but did not hear back from anyone. Our agency used to be only a Youth agency. We changed that a few years back and now have athletes of all ages. I would like new older athletes that contact the State Office looking to join an agency to also know of our agency and that we accept new athletes, too. And NOT just youth. Our older athletes would like to meet new athletes and have them play sports with our agency as well. It seems that the only new athletes that are coming to MASO are athletes that are very young and new to Special Olympics. The older athletes get referred to the West Madison agency. If there are new athletes in their 20's or 30's looking to find an agency with the sports we offer, I hope that you will remember to include us in the correspondence with these new athletes. Thank you. | |

It would be GREAT if the number of athletes that participate in State competition for Track and Field could be increased. The quota are ALWAYS too small and restrictive of who can attend. Decisions have to be made between sending a relay team or individual athletes and its discouraging to the athletes that train so hard to try to go to State. | |
