- |    |  |     |
|----|--|-----|
| 1. | <b>Agency Manager has reviewed and understands the SOWI Agency Manager Handbook and reference appropriate sections to members of the Agency Management Team.</b>   | Yes |
| 2. | <b>When signing contracts, the Agency utilizes the Certificate of Insurance according to SOWI guidelines. (Not selecting an answer indicates the Agency does not sign contracts.)</b>  | Yes |
| 3. | <b>The agency understand that any contract greater than 1 year must be reviewed and approved by the Sr. Director of Field Services or a representative of SOWI senior staff.</b>   | Yes |
| 4. | <b>Agency follows Special Olympics, Incorporated policies regarding athlete housing.</b>   | Yes |
| 5. | <b>Agency understands purpose of SOWI Agency Management Committee and knows how to contact their Region's representatives.</b>   | Yes |
| 6. | <b>Agency knows how to navigate and utilize the SOWI website, including how to access the Agency log in, and where the Agency Manager Handbook, Competition Guide, forms and other resources are located.</b>  | Yes |
| 7. | <b>Questions / Concerns</b><br><br>I find using and understanding the financial section of the website, at times, when it comes to agency transactions, to be somewhat confusing. Would be nice to receive a quarterly financial report that would show the agency activity that would be easy to read and understand. Not everyone is as online/computer savvy as the next guy. Obviously receiving a printed quarterly financial report is not going to be an option as I suggested this in the 2016 accreditation. It would be nice to have the forms for Regional and State competitions in the same place. I had trouble finding the Regional forms to fill them out. |     |

## TRAINING AND VOLUNTEERS

---

- |    |  |     |
|----|--|-----|
| 1. | All volunteers (Agency managers, coaches, chaperones, etc.) are registered as Class A volunteers with SOWI according to the Special Olympics, Inc. volunteer registration policy including completing the Protective Behaviors General Orientation online training.  | Yes |
| 2. | All certified coaches have completed the on-line General Coach's Orientation, Concussion Training, Protective Behaviors and all Class A Requirements.  | No  |
| 3. | Agency follows SOWI policy relating to volunteers and roster accuracy as well as team and/or individual sport advancement to state-level competition (A certified coach must accompany each team or serve as the certified coach for one sport at the same State Tournament).  | Yes |
| 4. | Please report the total number of family members actively involved in a leadership role in your agency.  | 6   |
| 5. | Class A volunteers, Certified Coaches, and Athletes (including Unified Sports Partners) must adhere to their respective Code of Conduct.   | Yes |
| 6. | All training and competition facilities and equipment are safe and there is a first aid kit, up-to-date athlete medical information and emergency contacts on hand and a phone and/or transportation available in case of an emergency. This information is to be provided by the coach if the athlete needs medical attention. It is recommended that coaches and chaperones carry this information at all times while at competitions. | Yes |
| 7. | All athletes have a current Application for Participation in Special Olympics Form and Official Special Olympics Release Form filed with SOWI Headquarters, prior to beginning training.   | Yes |
| 8. | <b>Questions / Concerns</b><br>My certified coaches need to complete the concussion training. I understand that this is part of the online training that they will take next time their re-certification comes up.   |     |

## COMPETITION

---

- |    |   |     |
|----|---|-----|
| 1. | <b>Agency possesses, understands and utilizes the Competition section of the SOWI Agency Manager Handbook.</b>  | Yes |
| 2. | <b>Athletes adhere to sports rules and competition policies.</b>  | Yes |
| 3. | <b>Coaches conduct themselves in a professional manner which reflects the SOWI mission and philosophy, adheres to sports rules and competition policies.</b>  | Yes |
| 4. | <b>Agency is aware of USA Games and World Games opportunities for their athletes and coaches and understands how to nominate those that qualify.</b>  | Yes |
| 5. | <b>Questions / Concerns</b><br>Not sure I agree with the selection process when it comes to the National Games. I feel more should be considered. Drawing names out of a hat may not always be the best way. Sometimes other things need to be considered. when choosing who gets to go to the National Games. Our agency does not always agree with what is happening with the unified parts of the program. We feel that in some aspects it is affecting the programming that is available to the athletes. Let's not forget what the focus of Eunice Kennedy Shriver was.<br>It would be nice to have the forms for Regional and State competitions in the same place. I had trouble finding the Regional forms forms for bowling. |     |

## FINANCE

---

- |    |  |     |

| 2. | <b>Invoice Approval Form is signed by the Agency Manager and one other member of the Agency Management Team who are Class A volunteers without financial restrictions and are not family members. (By not selecting yes or no you are indicating N/A).</b>   | Yes |
| 3. | <b>Agency understands and submits Sales Tax Reporting Form with deposits that include sales of taxable items within the month of the sale. (By not selecting yes or no you are indicating N/A which means your agency does not conduct sales tax activities).</b>  | Yes |
| 4. | <b>Agency submits Money Handling Accountability form for all fundraisers at the time a deposit is made. (By not selecting yes or no you are indicating N/A).</b>   |     |
| 5. | <b>Agency understands how to check its finances on the Agency log in of the website and does so monthly. (Applies only if Agency has in-house account.)</b>  | Yes |
| 6. | <b>Questions / Concerns</b><br>I find it a bit confusing, at times, to navigate through the online finance section to check agency finances. I am getting better at it but it would be helpful to have a quarterly financial report mailed to the agencies showing the agency activity that would be easy to read and understand. Not everyone is as computer savvy as the next person. I am sure this will not happen since I mentioned it in last years accreditation. As a volunteer it would be nice to have things made a little simpler. |     |

4. **Questions / Concerns**

We do not receive any support from our local school district. It is hard to recruit athletes when you cannot get your foot in the door. Could use some assistance in this area since there apparently is a project unify in the school district.

# ATHLETE LEADERSHIP PROGRAMS (ALPS)

---

1.

**Agency is aware of ALPs, and, if appropriate, places athletes in a position of leadership at the Agency level.**

Yes
2.

**Questions / Concerns**  
We have one athlete who was in the ALPs. Adam continues to be used in social media, takes the polar plunge, is a mentor, and has attended the truck convoy. He volunteers at competitions during the time slots where he is not competing. Adam would be a very valuable resource to use in Region 2 as he is a very recognizable person.  
We also have two other athletes (Taylor and Elizabeth) who are very good mentors for some of our athletes. Taylor takes the polar plunge.

**If you have athletes in these roles in 2017-2018, please list name and check all roles that apply:**
